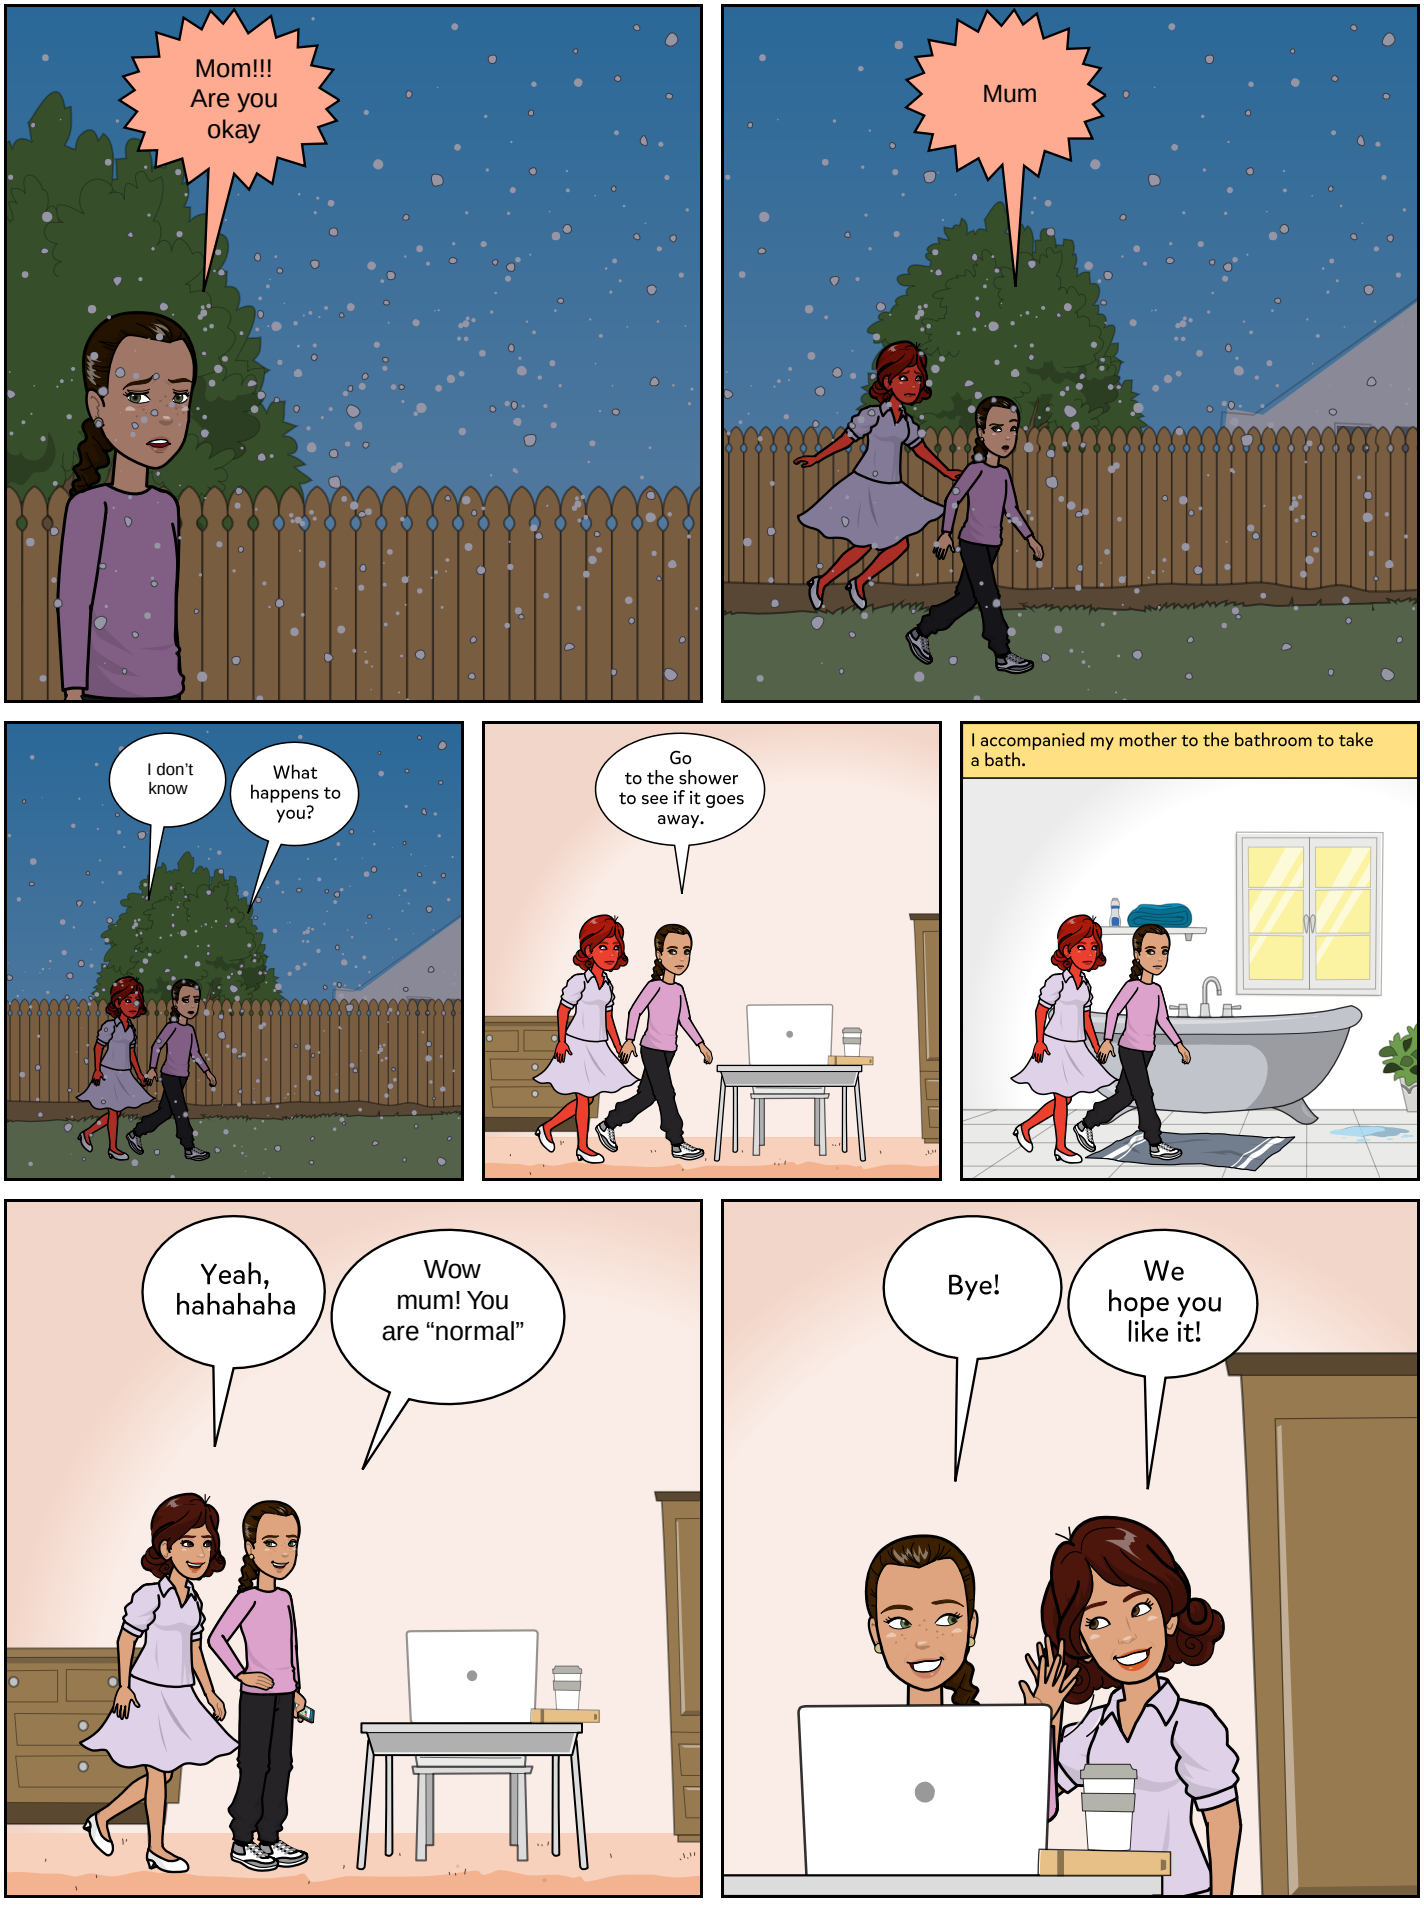
From my Mom, that I was to come home right away...
When I got home, she told me the big news...
My mother told me that this week it was going to snow a lot and that we would not go to school.
I went for a walk to see the street for the last time this week!
I was so happy that I started dancing in the middle of the street...
I called my friends to ask them what they thought of the great news.
The next morning I look out the window to see if it was snowing but...
It's not snowing!
I ran out into the street to see what was happening when suddenly...
It can not be! why it isn't snowing??
How is it possible! in my house I can't see any snow, and in the street there is so much that you can't even walk? Oh my god, I'm crazy?
I don't care, in the end I'm not going to go to school anyway.
Let's cook someting!
BOOM!
What's the matter outside?



Mom!!! Are you okay
Mum
I don't know
What happens to you?
Go to the shower to see if it goes away.
I accompanied my mother to the bathroom to take a bath.
Yeah, hahahaha
Wow mum! You are “normal”
Bye!
We hope you like it!
